App Support Android/Apple	X	X	
Winter Battery Warming Option	X		Same as ZS but with help text displayed
Apple Car Play/Android Auto	X		
App Support Spotify etc.		X	Through Android Auto/Apple Car Play
Navigation System	X		MG's own couldn't find satellite view option, but many options for example display charger and filter for type
Reset of GOM to WLTP			No info available
Predictive Navigation Using SoC%		X	Don't think supported
Is 4WD Always Active			Question couldn't be answered
SoC% in Instrument Cluster	X		Displayed all the time
Ditto Battery Temperature		X	
Seat Memory Number	X		2 Only Driver located on side of drivers seat
Number of Drive Modes	X		4: ECO, Normal, Sport and new one Winter
How Selected	X		Centre console toggle switch
Number of Regen Levels	X		3 Same as ZS
Method of Selection	X		Centre console toggle switch
Charging What of Following are Displayed. 1. SOC% (SOC% Limit) 11% (Max. 80%) 2. Range 3. Added Range 4. Charge Duration 5. Estimated time to set SoC% 6. Current Charge Speed kW 7. Amps 8. Voltage			No information available

## MG Marvel R Showroom Walk Around 20.08.21

Feature	Yes	No	Remark
Charge Level Supported in Car	X		Nicely implemented very much like Tesla. One nice touch changing the % required shows estimated range for the %SOC set. Only 10% increments in slider bar, with recommendation only to charge to 100% for long trips
Reset of GOM to WLTP			Was unable to find out if possible
How Many Trip Meters	X		Same as ZS Current journey and total since last reset
Does Trip Meter Display 1. Total Distance Driven 2. Total Time Driven 3. Average Consumption (wH/km or kWh/100km) 4. Average Speed	X X X X		Displayed kWh/100km as default
Insulated Glass Side Windows			Not checked but don't think so
Heated Windscreen		X	
Heated Steering Wheel		X	Steering wheel looks to be the same as the ZS
Baggage Room Cover	X		
Frunk		X	None in AWD
Under Floor Storage Trunk	X		Only for cable on Luxury Bose sound system uses available space
Adjustable Boot Floor Height		X	Not In AWD version
Boot Size Approx,			Width: 102Cm Depth:86Cm Height to underside of the luggage cover 43Cm. Note Width between wheel arches is wider approx. 106Cm
Manual Cruise Control			If Adaptive is not available due to blocked sensor (snow in winter) Not information
Power/Regen Level How Displayed in the Instrument Cluster	X		Shown as a dial left side of instrument cluster max 100 to -25
Lane Assist How Activated	X		Stalk on steering column
Head Up Display		X	
Configurable Instrument Cluster	X		Configurable on both left and right side. Car info left for example trip meters tyre pressure. Right side Radio, Telephone
Configurable Information Display	X		I think the power and speed elements of the screens are a fixed layout. No Classic, Modern or other options are available

## MG Marvel R Showroom Walk Around 20.08.21

Feature	Yes	No	Remark
Display map in instrument cluster	X	X	Map is displayed in the centre of the instrument cluster, but was unable to find out how to turn off or change what can be displayed
Voice Control Support	X		Norwegian is supported
Infotainment Norwegian Option	X		
Infotainment Operating System	X		No Info
Vehicle to Load	X		Separate screen you can adjust the level of SoC% to stop power being used. Can't remember if power output can also be limited
VTL Adapter Included			No information available
Set Opening Height for Tailgate	X		Yes separate menu option with graphical presentation when you set the opening height you would like as standard
Kick/Gesture Opening	X		Can be turned off in menu
Internal Camera Support	X		Can take picture using front and rear cameras as well as video
Ambient Lighting	X		Multi coloured, loads of options including "Pulse"
Auto Present of Door Handles	X		Option in menu Door Locks
Easy Entry	X		Option for the driver seat to slide back when the car door is opened
Storage Space			Screen is huge and because of this there is no storage space between bottom of the screen and the armrest so NO cup holders for driver and front passenger!!!
USB Ports Front	X		2 Type not known
USB Ports Back	X		2 Type not known
